15 Dear Mr. Perez Daple,

**Re: US Patent Application No. 09/701,861**

20 With regards to your letter dated 25/10/2004, that I just received, I would like to file the following amended claims accordingly.

As I tried to explain when we spoke some months back, I had a computer virus and lost all my data and the original claims filed, therefore I am unable to attach a copy with this letter.

25 However, I would like to cancel all previously filed claims 1 thru 18 and replace them with the attached claims 19 thru 31.

Please find the amended claims 19 through 31 that now replace all claims previously on file.

30 Thank you for your consideration.

Yours sincerely  
*Robert Kaplan*
